FALCONS SERVE THE COMMUNITY

This year, the students at The Academy have shown great spirits in giving back to the community.

- Food Drive – Students and Staff spent many hours out in the community providing the neighborhood with bags to donate food and then collecting the food items. This year The Academy collected **1,209** food items that were donated to the local food bank. This is a phenomenal achievement!
- Mari Kenny's Service Learning Class donated their time and service to those in need at Feed My Starving Children.
